VISION & MISSION

COMPANY VISION

Our vision is to be a trusted and respected leader in the trading industry of commodities & energy sector renowned for our expertise, integrity, and commitment to excellence. We envision expanding our global presence and strengthening our partnerships with suppliers and customers to achieve mutual growth and success."

COMPANY MISSION

Our mission is to provide our customers with a reliable supply of high-quality products, exceptional service, and competitive prices that meet their needs and exceed their expectations. We aim to build long-lasting relationships with our customers, based on mutual trust, respect, and transparency, and to create value for our stakeholders through responsible and sustainable business practices.

BUSINESS INTRODUCTION

We are an international trading company that specializes in sourcing and supplying high-quality products from various markets around the world. We have a team of experienced professionals who have extensive knowledge and expertise in different industries and regions.

THE CHALLENGE

It involves complex and dynamic factors such as supply and demand, market conditions, geopolitics, regulations, and logistics. e.g. Price volatility, Trade barriers, Quality and quantity issues, Transportation and storage

THE SOLUTION

Diversifying the portfolio of commodities and markets, hedging against price and currency risks using derivatives, negotiating favourable trade agreements and contracts, complying with local laws and standards.

ABOUT US

We have established in Middle East (UAE, KSA & Qatar). We maintain long-term partnerships with reliable suppliers and manufacturers in various commodities & energy sectors such as trading of base metals and precious metals involves buying and selling non-precious metals such as copper, aluminium, zinc, lead, nickel, and tin, as well as precious metals such as gold, silver, platinum, and palladium, crude oil, natural gas, and related products

such as liquefied natural gas (LNG) and liquefied petroleum gas (LPG), processed crude oil products, such as gasoline, diesel, jet fuel, and heating oil, products related to electrical power generation, distribution, transformers, generator, solar panels, machinery and equipment used in construction, mining, and other industries.

We welcome inquiries from potential customers and partners who are interested in working with us. We are confident that we can meet your expectations and help you to achieve your goals.

BUSINESS ACTIVITIES

CARTER BROWN GLOBAL GENERAL TRADING LLC, DUBAI – UAE

TBEA &
HENGYANG

PARTNERSHIP

We are proud to announce that we have entered into a strategic partnership with TBEA, a leading global provider of energy products and solutions. As part of this partnership, we have signed an agency agreement and a consortium agreement with TBEA, which will enable us to offer our customers in the MENA region a wide range of high-quality and cost-effective energy products such as transformers, switchgears, electrical components, and solar plants. Moreover, we will collaborate with TBEA on EPC contracts for various energy projects in the region, leveraging our combined expertise and experience in the field. This partnership is a testament to our commitment to delivering innovative and sustainable energy solutions to our valued customers and stakeholders. We look forward to working with TBEA to create a brighter future for the MENA region.
